WEEK EIGHT

Dear Parents,

We can't believe it's already the end of the summer! We were sure to make our last week of camp spectacular! On Monday, we had music with Tiffany! Senior Gan campers went swimming, and Junior and Mini Gan campers got to enjoy playing in the sprinklers during water play. Senior Gan 2 campers had a special treat! They enjoyed playing sports on the big fields at Chatterton school!

On Tuesday, we began our day with an exciting fire juggling show by Keith! We got to see him juggle all sorts of things, such as tennis rackets, knives, and real fire. Everyone got to do one last (for now) obstacle course in Super Soccer Stars! On Wednesday, Mini and Junior Gan campers sang and danced with "Play Hooray." Senior Gan campers went to Adventureland, where they got to spin and flip on so many different rides!

On Thursday, Mini Gan 2, Junior Gan and Senior Gan 2 campers had a special visit from Karen Levine, author of the book, 'All About Color Blindness'. Junior & Senior Gan enjoyed their last swimming day at Newbridge! On Friday, we finished our week off with a super cool bubble show for everyone and a super giant water slide during water play! We also practiced our drumming skills. To get ready for Shabbat, we shaped Challah and had our last Shabbat party of the summer. **We will miss everyone so much! We are glad that we had such a fun-filled summer and are sad that it is the last day, but do not worry, as there are only 313 days left until summer 2023! Don't forget to sign up for camp today so you can get 20% off! Visit campgi.com/register today!**

Shabbat Shalom! See you next year!
